## AFS International Buffet Benefit Set Thursday Eve

An International Buffet to raise money to bring foreign students to this area to attend school under the American Field Service program, will be held March 7 from 5 to 8 p.m. at the Retail Clerks Union Hall, 25949 Belleport Ave., Harbor City.

AFS Chapter President Dale Wickstrom and Mrs. Wickstrom have announced that a sumptuous menu is being planned for the benefit dinner. Tickets may be purchased at the door or from any member of the chapter.

Mrs. Mary Madrid, mother of Manola Madrid, who with Janet Dossey are finalists in the Americans Abroad Sum-

mer program, is serving as ticket chairman.

The chapter at present is sponsoring two foreign students and is planning to bring three students to the area next year.

"Funds for these students and future students have to be raised by the local chapter through memberships and money raising events," Tom Ross, treasurer announced. "The largest amount of the \$750 needed for each student to come here to study is raised by our International Buffet, and we are hoping that the residents of the area will attend the dinner and help finance the AFS program."

## We'll pay you to save.

**5%** Seems like everyone's asking you to buy something these days. Buy a new car. Buy a boat. Buy a bigger home. But at Lincoln, we'll pay you to save. Put your money in a Lincoln savings account. It'll be safe, secure, and earning money for you at the highest interest rate in the nation on insured savings. At Lincoln, your savings actually earn 5.13% when our 5% current annual rate is compounded daily and maintained for a year.

10th of the month earn interest from date of receipt, when held to the quarter's end. Either way, you can't lose at Lincoln, you only gain. Another benefit of saving at Lincoln: interest is paid to the date of withdrawal on funds held for three months.

Register to vote at any **LINCOLN SAVINGS** office. For your convenience, voter registration facilities are available at all Lincoln Savings offices.

Most savers like to have flexibility, too. With a Lincoln passbook account, additions and withdrawals can be made in any amount. It's nice to know your money is readily available whenever you need it.

And your money is safe with Lincoln. Accounts are insured up to \$15,000 by the Federal Savings & Loan Insurance Corporation, a permanent government agency. With over 40 years of experience and assets of nearly half-a-billion dollars, Lincoln is a name you can trust.

If you're a long-term saver, choose a Lincoln 5 1/4% bonus account. In addition to the 5% current annual interest rate, you'll earn an extra 1/4% interest per year. Paid at the end of 3 years on accounts opened in multiples of \$1000.

There are other features that make Lincoln a smart place to save. For example, funds received by the 10th of the month earn interest from the first. Funds received after the 10th are held for three months.

Before someone talks you into buying something, visit a Lincoln office. Don't wait too long.

The commitment of Joe Wilcox is "help people try to find themselves and then one another."

The key to this, as Wilcox sees it, is involvement. That's why the Torrance Family Y.M.C.A., which Joe directs, has a unique program of family participation in projects with a point. Last year, for the 10th straight year, 4000 Torrance families spent their Christmas season collecting, sorting, packing and distributing 20 tons of food, clothing and medicine to 5000 Navajo Indians in Arizona. That's action. And it's only one of the reasons why the Torrance Family "Y" deserves wide support.
